II. CURRENT WORK EXPERIENCE

President

BRIDGE Research Foundation Incorporated
Houston, Texas
12/04-12/06

Executive Director

The Warren Corporation, Incorporated
10600 Fondren, Suite 104
Houston, Texas 77096

Executive Director responsibilities include administrative oversight and management of personnel grants and program management and fiscal oversight of The Warren Corporation, Inc.. Program & Policy Development in the areas of Career & Vocational Employment Training, Affordable Rental Housing for People Living with AIDS, HIV/AIDS Prevention & Education and Outreach for disenfranchised communities of color.

Independent Consultant

BRIDGE Research Foundation
Houston, Texas
12/04-12/06

Independent Consultant Duties include providing grant-writing, logistics planning and resource development, program development and evaluation within community-based and faith-based organizations, including health care centers who are located in primarily minority serving and/or predominately minority communities. The communities have limited resources and are characterized as medically underserved. Specific activities have included capacity-building and infrastructure development, resource development, program development, evaluation and assessment.

Contractors include:

1. **The Warren Corporation:** The Warren Corporation is a non-profit organization committed to acting as a voice for disadvantaged women and youth and to identifying and bridging the gaps of health and social disparities of people of color. TWC supports and empowers HIV positive women by providing or connecting them to community resources for maximum health benefits and personal growth. TWC is committed to the

development and implementation of educational activities that improve the health of communities at risk.

2. **The Abundant Life Center:** The Abundant Life Center is a consortium of seven (7) member organization which include faith-based, non-profit and for-profit organization which provide services to assist the Deep East Texas in the Disaster Relief Recovery associated with the twin hurricanes of Rita and Katrina.
3. **Macedonia Outreach Center:** Macedonia Outreach Center (MOC) is a non-profit organization located in Houston, Texas. The mission of Macedonia Outreach & Career Center (MOCC) is to bridge the gaps in services for those who are marginalized, overlooked and under-served in northeast and southeast Houston, Texas communities. The organization has become known for providing specialized assistance with minority/disadvantaged individuals, students, youth and families over the past four years, specifically in workforce training and development in health care careers with underrepresented groups in the communities served by the project.
4. **Donald R. Watkins (DRW) Health Care Center:** DRW is a Health Care Clinic that provides HIV/AIDS primary, secondary and facilitative services to African American Community.
5. **St. John's Academy:** St. John's Academy is a private elementary level school designed for children who have been affected and/or infected with HIV/AIDS.
6. **Bread of Life:** The Bread of Life, Inc. (BOL) is Houston's largest organization that provides food, and assistance services to the homeless. The organization provides Housing for People with AIDS (HOPWA), Rental Assistance and Social Services.

Sub-Contractors Include:

1. **Guidry & Associates:** Guidry & Associates: is a private for profit consulting agency that provides program evaluation, resource development and capacity building activities in a wide array of areas which have include (1) Prenatal Health; (2) Health Disparities; (3) HIV AIDS; (4) Disabilities; and (5) Capacity Building.
